18:30 – 19:00	Next steps - Agenda

Remark:

We will focus the pre-conference on the methodological aspect of the chosen researches and on how their data base was built. Thus, we aim to question how we can shape an international network on the project "Mapping history of education" and with which tools. Each participant or research will be given 15 minutes of presentation so that we can make time for a debate.

Rita Hofstetter, Emmanuelle Picard, Eckhardt Fuchs, Alexandre Fontaine & Solenn Huitric
